WHAT IS B1/B2 NON-IMMIGRANT VISA?

B visa is one of a category of non-immigrant visas issued by the United States government to foreign citizens seeking entry for a temporary period.

The two types of B visa are the B-1 visa, issued to those seeking entry for business purposes, and the B-2 visa, issued to those seeking entry for tourism or other non-business purposes.

In practice, the two visa categories are usually combined together and issued as a "B-1/B-2 visa" valid for a temporary visit for either business or pleasure, or a combination of the two.

B-1/B-2 visa has a 1 year validity period (for Azerbaijan) allowing for either one or multiple entries into the U.S, and elicits a period of stay (maximum 6 months, as decided by the Consular Section due to the amount of time needed to accomplish the purpose of visit).
